Figure 1 – 1850 census: first District, Darlington County, South Carolina (Page: 274B)

First of all, John Crosswell online 15 (household 64) is almost certainly John son of Gilbert Crosswell. More research is needed to be sure that all of the children listed are indeed those of John and Sarah.

Mary and Eliza Crosswell (lines 11 and 12: household 63) appeared to be sisters. Also, based on the placement of the children, I would say Theodore and George are children of Eliza, and that Mary is the head of household. Again more research is needed here.
