This is all I have located at present. If you wish more in detail about any of these, I think I can give you addresses of some one in the families who stayed around here. I was not sure how much you had so thought this would be a start. It is about all I have time for tonight !

I am sorry to be so long in sending this. I did not settle down to unpack until September and there were so many things to sort that I did not get hold of this for a time. I am doing some church visiting in homes for our congregation here. We had twelve inches of snow two days ago so I rather got shut in and hence had time to catch up on some things.

When I came on furlough in 1955 I stayed three years extra until Mother died. Then I went back in 1959 and finished my time there. I retired the first of May after I landed in U.S.A. I was here and there until Late in Sept. when I settled down here.

I would be most interested in knowing about the early history of the Cathcarts. I have always thought I would go to S. Carolina sometime to see what relatives I might find ! I know nothing earlier than that I have given here. So perhaps Mr. Robert Spann Cathcart will sometime let me know something of the Ireland Cathcarts. I visited Ballymoney , Ireland once and looked up the old place my greatgrandfather Mathews le ft. My grandfather was about eleven when they came to U.S.A.

It is bedtime so I shall close.

Sincerely yours,

*Evelyn Cathcart.*
