(John was my GGGG-GF) I have his wife's name as Mary ?, who he married in Mecklenburg Co., NC. John died in NC in 1818. Some records indicate he was born in County Antrim, Ireland. Matthew Newton was born about 1808 in Mecklenburg Co., NC and married Nancy Caroline Cole in NC in 1829. I don't have much more information on Matthew Newton, as I concentrated my research on his brother, William, who moved to Georgia about 1836.

Will: Being weak in body, I give my plantation as it stands to my wife during her widowhood, including livestock and horses. It is my will that my dau Mary and her child have their maintenance on my plantation during her single life and her bedding equal to my other two daus. I give \$1 to each of my other children, my sons James and John, and daus, Sally and Polly Cathcart. At the death or marriage of my wife the property left for her use is to be sold and the proceeds divided equally among my thre youngest sons, William, Robert, Newton. Exrs: wf. and son James. Wit.: William and John Berryhill, Isaac Alexander, CMC

John is listed in the tax list section with 140 acres. (1797, 1798, 1806, 1807)

Is it possible that John married twice. First perhaps to Felicity, then to a younger Mary, who appears in the 1860 census living with John & Margaret Stewart Cathcart (as a pauper).

Some folks think this is John McMunn Cathcart, I believe this is incorrect, and that John McMunn Cathcart's life span was 1819-1888.

One of my gggg grandfather, John Cathcart, son's, James Leander Cathcart, b.apr 1792, Mecklenburg Co., NC, d. 14 Jan

1849, Mecklenburg Co., NC, married Mary A. Kimble, b.Nov 1810, d.Nov 1895. They married 16 Dec 1828, Charlotte, Mecklenburg Co., NC. I do not have any of the names of their children. They could very possibly be the parents of John Robert Cathcart. Mary Kimble was married first to Reuben Newton Freeman. They were married in 1856, NC.
